### RRC GUIDELINES

The Red Ribbon was created in 1991 by the visual AIDS ARTISTS CAUCUS, NEW YORK CITY, AMERICA.

- The color red was then chosen as its symbolizes to the colour of blood and idea of passion – not only anger, but love.
- Red Ribbon is the international symbol of HIV/AIDS awareness.

### Objectives

- To reduce new HIV infections among youth by raising their risk perception through awareness on Sex, Sexuality and HIV & AIDS/ drug use.
- To induce among youth the spirit to help and support people Living with HIV/AIDS there by reducing stigma and discrimination against HIVs.
- To motivate youth and build their capacity as peer educators and change agents by developing their skills on leadership, negotiation and team building .
- To promote Voluntary non-remunerated Blood Donation among youth.

### Mission

Effective prevention, care and support for HIV/AIDS. Peer educators of our RRC believe that people need to be aware, motivated, equipped and empowered with knowledge so that they can protect themselves from the impact of HIV and drugs use.

### What is RRC
